INDEPENDENCE DAY 15th - AUGUST, 2025

This Independence Day, we the students of Sir Mutha School, celebrated the spirit of freedom with enthusiasm and pride.

What does freedom mean to you?

For some, it's raising the flag high; for others, it's speaking their minds without fear. To us, it is about having choices, expressing creativity, respecting differences, and learning without fear.

Our Independence Day celebration began with a collective dream of equality, dignity, and progress. The event commenced with the **Tamil Thai Vaazhthu**, followed by the national anthem and flag hoisting by Ms. Kirtida Kale. The March Past, pledge and inspiring speeches in Tamil and English reflected on the true meaning of freedom.

This day reminded us that we as proud citizens must uphold the **values of unity, peace and progress** to build a stronger and brighter India!

GRADE 12 CAMP - 23rd - 29th AUGUST, 2025

The students of class 12 went on their much-awaited farewell trip to Ooty from the 23rd to the 29th of August, creating memories that will last a lifetime. Guided by their teachers, the students enjoyed a perfect mix of adventure, laughter and bonding. The trip began at **Club Mahindra** with games followed by sightseeing and a delicious dinner. Over the next few days, they took part in many activities including trekking at **Naals Training Camp**, visiting the tea and chocolate factories and exploring Destiny Farm.

The excitement continued with a **thrilling trek** and a **heartwarming campfire night**, filled with music, dance and endless laughter.

On the final day, the group stopped in Coimbatore for some shopping before catching their train home. It was an unforgettable journey, a farewell to school life and a reminder that **endings can be just as magical as beginnings!**

OPEN HOUSE - 30th AUGUST, 2025

Open House conducted on 30th August was a resounding success! Parents and teachers engaged in productive discussions about student's academic progress, identifying areas for improvement and strategies for growth.

The highlight of the event was the Art Auction, organized by Image Minds for parents, where they got to witness the incredible talent of our students. The creativity and skills on display were truly impressive, showcasing the artistic abilities of our students. The annual City Shandy had various stalls offering a wide range of items for sale. The event fostered a sense of community, allowing parents to connect with teachers and the administrators.

PULLIKOLAM - 7th OCTOBER, 2025

Our school had the privilege of welcoming Ms. Jayanti Murugesh, an artist whose name has become synonymous with Pullikolam- the traditional art form that blends mathematics, culture and devotion.

A winner of the prestigious Mylapore Pullikolam Contest, her passion has taken her beyond competitions, inspiring people globally with her art.

In our interaction with her, she described how Pullikolam is not merely an art of patterns, but a practice of discipline, patience and mindfulness. Made with rice flour dots that are carefully joined into lines, curves, and loops, pullikolam carries with it the spirit of creativity and offering.

As we concluded our conversation, one thought remained with us: for Ms. Jayanti Murugesh, Pullikolam is not just art-it is devotion on the ground, a canvas of culture, a meditation of the mind. Each design is nothing less than painted prayers!

PARENT CHILD BONDING ACTIVITY - 22nd OCTOBER, 2025

In today's fast-paced world, quality time with loved ones often takes a backseat. To foster deeper connections between students and parents, our school recently organized a Parent Bonding initiative for classes I to III. This heartwarming event encouraged open conversations, mutual understanding and meaningful connections within families. Students had the opportunity to interview their parents about their childhood memories, dreams and values, uncovering stories they'd never heard before. Parents cherished this experience, feeling more connected to their children and appreciating the chance to see their child's interactions with teachers. This Diwali celebration was a vibrant showcase of creativity and joy, as parents and children created festive arts and crafts together. The school's welcoming atmosphere and innovative initiative brought families closer, strengthening bonds and creating lasting memories for children and their parents.
