PRAYER SERVICE 9<sup>th</sup> JUNE 2025

A tradition that is as special as our students. A prayer service is conducted every year to welcome the new batch of 11<sup>th</sup> graders. The occasion was made even more meaningful as it coincided with the birth anniversary of our founder, Mrs. C Prema Kumar, adding a sense of inspiration and gratitude to the gathering.

The service included prayers for wisdom, guidance and a successful year ahead for all students. The recitation of sacred texts beautifully showcased our school's rich cultural diversity, fostering a sense of unity and inclusivity.

This marks the beginning of their academic journey. Weeks of thoughtful planning went into crafting the perfect blend of reflection, encouragement, and spirituality.

INAUGURATION OF THE CLUBS 13<sup>th</sup> JUNE 2025

This is the first time the inauguration of all the clubs took place at the same time.

How was it like preparing for this?

When the Presidents of the club were informed that they had to reveal the theme on stage, they were all quaking in their boots. During speech practice they were afraid they'd forget their team members' names. After some serious rehearsal and pep talks, they nailed it on the big day! Truth be told, they were also secretly plotting to plan activities so special that their classmates would say, 'Wow, these club leaders are LIFE CHANGERS.'

## THE THEMES OF EACH CLUB WERE

 **The Literary Club celebrated the theme of Classic Literature**  
**The Language Club promoted linguistic diversity with clubs of Tamil, Hindi and Sanskrit**

**The Math Club unveiled the theme of Mystery Math**

**Eco Club emphasized sustainability as their theme-**

**A celebration of sustainable joy**

**The Heritage Club honoured cultural preservation with their theme being Preserving the Past, Enriching the Future.**

THE 7<sup>th</sup> EDITION OF SMMUN 2025

What was it like planning one of the most awaited events of the year?

Planning an MUN is a rollercoaster ride, especially behind the scenes — emails flying, deadlines looming, and countless last-minute edits. From designing the invites at 2 a.m. to frantically confirming delegates, it's a whirlwind of calls, coffee, and crisis.

The team juggled logistics, committee prep, and unexpected dropouts while somehow keeping smiles on their faces. There were heated debates, hilarious slip-ups, and the occasional emotional breakdown, but in the end, it was all worth it. Seeing everything come together on the day — the gavel strikes, speeches begin — made every sleepless night feel like a win.

INTERNATIONAL YOGA DAY 21<sup>st</sup> JUNE 2025

**"YOGA IS THE ART OF AWARENESS  
ON THE CANVAS OF BODY, MIND,  
AND SOUL".**

The Yoga Day performance was the result of weeks of dedicated practice, teamwork, and learning. Students from various classes came together, guided by an instructor, to create a routine that blended discipline with expression. Rehearsals were filled with laughter, effort, and gradual progress. Music and synchronization were carefully planned to reflect the spirit of yoga. On the day of the event, excitement buzzed backstage as students prepared to showcase their hard work. The performance symbolized unity, mindfulness, and inner strength.

## ANNUAL PRIZE DISTRIBUTION 11<sup>th</sup> JULY 2025

What looked like a sparkling ceremony on stage was actually the result of weeks of serious behind-the-scenes hustle. Long before the applause and the photos, our teachers and coordinators were deep in calculation —cross-checking marks, making lists, and double-checking them (and then triple-checking, just to be safe!).

Book vouchers were carefully planned and prepped, with the team collecting and sorting books from students like clockwork —super organised and efficient. Speeches were written, rewritten, and rehearsed. Our volunteers were absolute stars—running around, carrying boxes, holding heavy trays and awards.

By the time the big day arrived, everything was set to perfection. All that was left, was to hand out those shiny prizes and celebrate the hard work of every student. It was a day full of joy, cheers, and well-deserved recognition!

**147<sup>th</sup> BIRTH ANNIVERSARY- 18<sup>th</sup> JULY 2025**

With great fervor, we celebrated the birth anniversary of our founder, Sir Mutha, born on July 18th, 1878. The occasion commenced with soul-stirring bhajans, filling the atmosphere with profound devotion. Our Principal highlighted Sir Mutha's distinguished involvement in the Delimitation Committee, fostering kindness and inclusivity, shaping his understanding of governance and community welfare. This was followed by honouring student achievements, where meritorious winners were felicitated with prizes.

## ANNUAL SPORTS MEET 24<sup>th</sup> JULY 2025

 Sports Day was an action-packed event! Weeks before the big day, the Madras Seva Sadan and University Union Grounds became a training arena. Students were up early, along with their house captains, **running laps, perfecting drills, and getting sunburnt in the name of glory (and house points!).** 

From throwball disasters to relay race bloopers, practice sessions were full of excitement, laughter, and determination.  Teachers turned into coaches, referees, and unofficial cheerleaders, juggling their classes with endless rehearsals. 

**The non-teaching staff were the real heroes**—Setting up tracks, adjusting microphones, arranging chairs, and ensuring the track stayed safe and slip-free. 

 From organizing water breaks to decorating the venue, every little detail had a superhero behind it. So while the Sports Day magic unfolded on stage, **backstage was a frenzy of teamwork, sweat, and a whole lot of fun.** And honestly? We wouldn't have it any other way!
